ISHIKA BHATT

BCA STUDENT | ASPIRING WEB DEVELOPER

Learning, creating and growing through technology.

ABOUT ME

Hello! I am Ishika Bhatt, a BCA student interested in web development and programming. I enjoy learning new technologies and creating simple, creative websites. I am improving my technical skills through practical projects.

SKILLS & LEARNING

HTML — Building webpage structure and adding content.

CSS — Practising webpage styling, layouts and responsive design.

Git & GitHub — Learning to manage repositories and share projects.

PROJECTS

1. My First Webpage
A beginner HTML webpage project.
github.com/bhattishika2307-stack/My--first--webpage

2. My First Website
A simple website created while practising HTML.
